“ I have regained my confidence because of my treatment and intend to resume my sport activities. ”

Amanda, Houston, TX

“ To my amazement I shut off a medium strong stream. I could not do that before! ”

Karen, Boston, MA

WHO IS THE RIGHT CANDIDATE FOR BTL EMSELLA™?

BTL EMSELLA™ is a great option for women of any age who desire solution for urinary incontinence and improvement in their quality of life.

HOW LONG IS THE TREATMENT? HOW MANY SESSIONS DO I NEED?

Your provider will tailor a treatment plan for you. A typical treatment takes about 30 minutes and you will need about 6 sessions, scheduled twice a week.*

WHAT DOES THE PROCEDURE FEEL LIKE? IS IT PAINFUL?

You will experience tingling and pelvic floor muscles' contractions during the procedure. You may resume daily activities immediately after the treatment.

HOW FAST WILL I SEE RESULTS?

You may observe improvement after a single session. The results will typically continue to improve over the next few weeks.

BODY AGING, CHILDBIRTH, AND MENOPAUSE CAN LEAD TO INCONTINENCE.

BEFORE
Pelvic floor muscles insufficiently support pelvic organs and affect bladder control.

TREATMENT
BTL EMSELLA™ effectively stimulates pelvic floor muscles.

AFTER
Stimulation leads to regained control over pelvic floor muscles and bladder.
